Dosina chair

Care and maintenance

Keeping the product in a good condition prolongs its lifespan.

Avoid unnecessary damage by following the guide below.

- Remove stains immediately to avoid permanent damage of the surface.
- Place the product in a humidity and temperature stable environment, avoiding direct sunlight.
- Avoid using sharp or hard objects on the product, as they might scratch or damage the surface.
- Avoid pushing or pulling the product, when moving it, as this might damage the floor and the product.
- Avoid tilting the chair onto two legs.
- Avoid standing in the chair.
- Avoid sitting on the back of the chair.
- Avoid placing heavy objects on the product as it may damage the upholstery.

Leather upholstery

Wipe with a moist clean cloth wrung in water or in a solution of mild soap and water. Remove any residue immediately using a clean dry cloth. Avoid using scouring cream or scouring pads on the surface, as they might damage the surface. Leather upholstery needs regular treatment to avoid drying out. We recommend using furniture care products from Guardian.

Veneer

- Wipe with a moist clean cloth wrung in water or in a solution of mild soap and water. Remove any residue immediately using a clean dry cloth.

- Use products specifically suited for laminate and veneer, if the surface seems matt or scratched.
- Avoid using scouring cream or scouring pads on the surface, as they might scratch or damage the surface.

Frame

Wipe with a moist clean cloth wrung in water or in a solution of mild soap and water. Remove any residue immediately using a clean dry cloth. Avoid using scouring cream or scouring pads on the surface, as they might scratch or damage the surface.

Warranty

Eva Solo A/S guarantees that its products are free from manufacturing defects. The warranty covers materials and manufacturing defects, but not problems arising from incorrect use or natural wear and tear.

Complaints

Right of complaint in accordance with applicable legislation. No right of complaint in the case of damage caused by using the products in any way other than for its intended use, or caused by incorrect handling, normal wear, inadequate or incorrect maintenance or incorrect repairs as well as tampering with the products by unauthorised persons. Remember to retain the receipt/invoice as it must be produced in the event of a complaint. Please contact the shop where the product was purchased. Errors and omissions excepted.
